WHITE HALL DEDICATION PLANNED FOR MAY 3rd

Glee Club To Present Gondoliers

Our Glee Club is at work on the “Gondoliers,” by Gilbert and Sullivan, an opera filled with gay, sparkling tunes and wonderfully humorous lines. As the title indicates, the plot centers around the exploits of the Gondoliers with their wives chosen in a game of blind man’s bluff from the loveliest peasant girls in all Venice. We have such charm here at Lesley, as you will see when our girls appear on the stage with their bright colored costumes of the Venetian peasant girls. Things got generally delightfully mixed up when the Gondoliers, Marco and Giuseppe, are informed that they were already married. But—we don’t want to spoil your fun by telling you the entire story. You must come and find out how things are turned out.

For those with more than one interest, Mr. Marco Palmieri and Mr. Edward Ingraham are in charge of the operetta. Miss Ruth Seeley is in charge of the costume department. Miss Dorothy Sharples is general chairman of the day, assisted by Lesley’s campus. Dr. Mark V. Crockett and Mr. Mason White are business editors, Dr. White’s consideration and Mason White our sincerity, our gratitude and our thankfulness through our words adequately express our feelings.

When we realize the responsibilities laid upon the shoulders of one man, we look at the results of his tireless efforts and thank the Lord for honoring our College with such a man, Trentwell Mason White. We find ourselves at a loss for words to tell him of our admiration and love for him. Our hearts are overflowing with emotions, yet never will any words adequately express our feelings.

We can only show Dr. Trentwell Mason White our sincerity, our gratitude and our thankfulness through our cooperation in keeping White Hall as beautiful as it is now, and by asking God always to bless and keep this man, perfection. It was no longer a spiritual building, but a building reflecting a man’s success, a man’s desire to see man’s success, a man’s desire to see man’s success...
Modern Dance Club Performs Tonight

The club production, "Footloose," is being held in the Longfellow school auditorium, 359 Broadway Street, Cambridge, tonight. The production begins promptly at 8:00. Tickets have been on sale this week and also are being sold at the door this evening.

The executive board consists of president, Mary-Lou White; vice-president, Miriam Jacobs; secretary, Joyce Lane; treasurer, Selman Bass, and publicity chairman, Nancy Gillie. We would like to thank all the participating members including Rhonda Hruska, Gerri Milhender, Sue Driscoll, and the Titans. spaceship, Sandra Stone, Diane Sharp, Elaine Zucker, Joan Katz, Marianne Lame, Elaine Meiner, Joan Tillman, Don Burton, Dorothea Landeberg and Esther Kubanks for the hard work put forth by all. Also a special thank to Lois Lee for her help in the audio department.

An Addition To The Faculty

It has recently been announced by President White that Dr. Malcolm J. Farrell has been appointed school psychologist for Lesley College and the Cambridge schools affiliated with Lesley College. Dr. Farrell graduated from Somerville High School, took the pre-medical course at Tufts University and finished his training at Tufts Medical School.

At present Dr. Farrell is Superintendent of the Walter E. Fernald State School for Retarded Children. He is also Director of Psychology at Tufts University and Tufts Medical Schools.

Active in educational organizations, Dr. Farrell has been appointed school psychologist for the Massachusetts State Department of Institutions and Care.

IN THE LANTERN SPEAKS

What is the next step in Lesley College's expansion program? Will our campus continue to grow only in new dormitories, or will buildings be constructed which will include modern facilities for the Administration, Faculty, Commuters and Dormitories? In the fall of this year we will have one new building and a new dining hall.

We are the only college facing this problem. Our neighbors, recently realizing that the drift between commuter and dorm students was due to a lack of facilities, have begun to provide a cafeteria and boarding facilities for both groups.

Lesley, being a small institution as compared to our neighbors, need not make plans for separate buildings. We are not out of the woods yet, but we should begin to look ahead to the future and make necessary plans. We should even plan for more than one campus, if necessary.

Why not??

Is it possible to combine brick and mortar with a feeling of belonging, security, and a pleasant atmosphere to gain unity as a result?

International Relations Club

At the last meeting of the International Relations Club, President White called on Helen Moskowitz to address the group. Helen Moskowitz, has been elected by the junior class as their representative to the International Relations Club.

CRIME TIED TO SCHOOL

Herman Stark, director of the Californian Youth Authority, has just urged new look and psychiatric aid for the disciplinary "worst shortage of teachers in history coming.

Washington. The National Education Association predicted today the nation's schools would need 116,000 new teachers by next September.

It said this year's college graduates would produce some 116,000 persons eligible to be teachers. But it said only 73 percent or 85,000 could be expected to enter teaching, leaving a shortage of about 15,000.

The NEA estimated the nation's elementary and secondary schools would need about 220,000 new teachers next September.

Some school programs are geared to particular youth needs. There are other in which programs have not gone beyond "the concept that every youth is sure to go to college. Such programs, it is widely realized, do not fit some older teen-agers — youths with earning pro-

Miss Sharples Planned Decorations In Dorm

Delightful expressions of "ahs" and "ohs" are continuously heard about the interior decorations of White Hall, as the Lesley girls and their guests walk through the new dormitory. What they see is the result of the efforts of Miss Dorothy Sharples, Lesley's art director, who planned and developed the color scheme and appointments of the dining hall, main lounge, beau parlor and common lounges, as well as that of the whole building.

The color scheme of charcoal grey, sandwood rose and parchment was chosen to complement and accentuate the outstanding colors used in the portrait of President White which is the center of interest in the main lounge. In keeping with this idea, the basic furniture of modern design, varying in colored wood, was designed by Miss Sharples, these lamps were made exclusively for Lesley. An unusual lamp is found in the northeast corner of the lounge. It is made from an old-time wallpaper roller and, in addition to lighting, serves as a conversation piece.

In the decoration of the main lounge the carpets, made of needlepoint broadloom in tweed finish, also repeat the colors of parchment, charcoal and sand. These rugs, laid over the floor tile of grey, coral and white marbleized design, are used to decorate the walls. Also, decorative effect is gained through the indirect lighting of the Chinese-style lamps. Designed by Miss Sharples, these lamps were made exclusively for Lesley.

The Jr. Varsity basketball team played only three official games and finished the season with one win and two losses. Capt. of the Jr. Varsity was Joan Govean, also finishing their season in the bowling team. The team lost in their rematch with Radcliffe, finishing the season with a 1-1 record.

Miss Roberts Brendan hopes to take a group of girls to compete in a volleyball, tennis and softball play-day to be held in May at Simmons College. The games will be followed by a picnic supper with the other participating colleges.

Lesley girls will also participate in a Lacrosse Sports Day at Wellesley College at the end of April. It will be

Attention, Dorm Students

The Residence Committee and the Dining Room Council have been very busy the last few months now that we are setting in White Hall. The girls working with Lynne Alexander, resident; chairmen are David Hillyer, Roberta Wellington, and Elinor Trimmer. Miss Jenny, Lois Steinert, Geraldine Michenl, and Carolyn Walker. The Dining Room Council consists of Mae Hatake, Elaine Bird, Linda Coblentz, Carol J. Caplan, Sue Kruskus and Fran Klein. With the supervision of Mrs. Reardon and Dean Thurber, the committee has made much progress.

One of our biggest problems was the congestion at dinner time. We tried to balance the situation and extend the dinner hour. This was not successful, so beginning April 5 we went back to class distinction. Seniors are seated at 5:45, Sophomores at 5:45 and Freshmen at 5:50. We hope everyone is happy now.

The committee has tried very hard to give the ladies an opportunity to vote for their favorite candidate by dropping a penny into one of these boxes. The candidate receiving the most pennies will win the queen. The queens collecting will then be announced in the Central.

Following the May Day program, the College will hold Open House for parents and friends. New Officers, the Speaker of the House and a number of visiting teachers will be in many of the classrooms and tea will be served. Students may feel free to show our various new facilities to their guests at this time. We sincerely hope that guests will take this opportunity to attend the production of the "Gondoliers" on either Friday or Saturday evenings, making the opening weekend a hectic, yet enjoyable time.

S. G. C. Assemblies Successful

S.G.C., during the year, has set aside one Thursday from each month for a government-sponsored assembly. The purpose of these assemblies is to inform the varied talents has added greatly to this year's calendar of events.

The first program of the new school year was devoted to an introduction of the various religious leaders within the Cambridge area. From there we continued with our first open school government meeting. It was devoted November's "Surprise Assembly" that we went through.

The vice-president must have served as a member of S.G.C. for at least one year. She must have been at Lesley for at least three semesters. She must also have a 2.0 average. It is her duty to take the place of the president whenever she is absent, to arrange and post the social calendar and be responsible for it during the summer vacation. She also serves as a member of the Program Committee. Jonie's impressive background adds to her capabilities of fulfilling this office. In her Sophomore year she served as president of her class and a member of the Newman Club. In her Sophomore year she served as president of her class and a member of S.G.C. She was vice-secretary of the Student Fund Committee.

Jonie Sullivan served on S.G.C. for her Sophomore year as a member of the Newman Club and attended the Barnard Conference in her Sophomore and Junior years. Her hobbies include tennis, swimming, designing and sawing.

The publicity chairman acts as chairperson of a committee which includes class and club publicity chairman and the LANTERN publicity chairman, with College Publicity Secretary as his adviser.

Deirdre Fabey served as publicity chairperson of the Junior Class, a member of the Penguin Club and Newman Club. She attended the Barnard Conference in her Sophomore and Junior years. During her Sophomore year she was the Fire Drill and Grounds chairman. Her hobbies include horses, swimming, painting and tennis.

The student body can be proud of their choices of officers for the coming year.

Pinning and Engagements

Following the tradition of announcing the names of the newly elected officers, Miss Barbara Winick to Mr. Gerald P. Borne was the last pinning for the year.

The LANTERN recognizes in the Handbook a sister publication, The LANTERN, our yearbook, which contains a guide for freshmen, a guide to theCOM. A new feature of this year's edition is the annual "Surprise Assembly" that we went through.

The vice-president must have served as a member of S.G.C. for at least one year. She must have been at Lesley for at least three semesters. She must also have a 2.0 average. It is her duty to take the place of the president whenever she is absent, to arrange and post the social calendar and be responsible for it during the summer vacation.
