- **Publication title of up to twelve words** (this will be published as written if your proposal is accepted)

CLAS Research/Conference Grant Application Workshop

- **A 150-to-250 word abstract** describing the aims, methods, results, and/or intended audience of your project, with any references (in APA, MLA, or Chicago format)

The College of Liberal Arts and Sciences (CLAS) now offers grant awards for students who are conducting research or presenting/attending area conferences. Students can apply for funding to assist with the cost of research study materials, to compensate for time spent on research, or to offset expenses associated with conference travel and registration. This workshop is intended for CLAS students and faculty mentors as a means of detailing the purpose of the CLAS grant, providing assistance with the grant application process, and to answer questions regarding applicable research and conference expenses.

- **A short (up to 80 words) description of your project** for publication in the program and on the website.

The College of Liberal Arts and Sciences (CLAS) now offers grant awards for students who are conducting research or presenting/attending area conferences. This workshop is intended for CLAS students and faculty mentors as a means of detailing the purpose of the CLAS grant, providing assistance with the grant application process, and to answer questions regarding applicable research and conference expenses.

- **Name(s)** of all presenter(s) and their affiliation (i.e., school and program/department)

- **Format** (i.e., panel, individual presentation, poster session, performance, visual image, motion media, dance, music, or other)

Panel Presentation
