No. 10

## Parents Weekend Planned for May

Date: May 6, 7, 8  
Place: Lesley College  
Hostess: You  
Guests: Your Parents

Lesley's Parents Weekend, although still very much in the planning stage, is certain to be an exciting and memorable occasion. A series of enjoyable events, including the production of Gilbert and Sullivan's *Patience* and the annual Junior Class production, are being planned for you and your parents. Remember the date and keep an eye open for future notices of this event.

## STUDENTS ELECT GOV'T OFFICERS

Elections for Student Government positions are underway. The positions being competed for are: President, Vice-President, Secretary, Treasurer, Judicial Board Chairman, Freshman Leader, and the various chairmanship positions. Speeches are to be given by all candidates, except for those running for chairmanships. The outcome of these elections may be very surprising, as there are an unusual number of write-in candidates. The entire student body is asked to choose wisely, and to be sure to vote for the girls whom they would like to fill these positions.

## LESLEY HONORS NOTED MUSICIAN

Mr. Herbert Fromm, composer, organist, and conductor will be recipient of an honorary degree of Doctor of Humane Letters at the Lesley College Spring Convocation to be held at Sanders Theatre on Thursday, April 7 at 1:30 p.m. He has arranged an original composition to be dedicated to Lesley with lyrics from three poems by a seventh century poet.

Mr. Fromm was born in Kitzingen, Bavaria and received his musical education at the State Academy of Music in Munich at which time he was a member of the Academy's Masterclass in Composition. In 1930-1933 he was conductor at the civic theaters of Bielefeld and Wuerzburg. He came to the United States in 1937 and in the same year was appointed organist and choir director at Temple Beth Zion, Buffalo, New York. Mr. Fromm studied with Paul Hindemith in 1940. For twenty-five years, he has been musical director and organist at Temple Israel, Boston.

The Ernest Bloch Award of 1945 was presented to him for his "Song of Miriam", a small cantata. In 1965 the Union of American Hebrew Congregations appointed Mr. Fromm editor of a new hymnal for the American Reform Synagogue. He has presented workshops for choirmasters and organists in Dallas, San Francisco, Boston and Los Angeles. In terms of Mr. Fromm's educational activities, he has taught at the School of Sacred Music in New York, and at the New England Conservatory of Music in Boston. It is only possible to mention some of the locations of various positions he received as organist and conductor such as: The Temple, in Cleveland; Temple Emanu-El, and Park Avenue Synagogue in New York; the United Church of America, Trinity Church and St. Paul's Cathedral in Boston.

Mr. Herbert Fromm, noted musician, who is to receive an Honorary Degree of Doctor of Humane Letters at the Lesley Spring Convocation, April 7, 1966.

## Lesley Presents Spanish Fiesta

The Puerto Rican Fiesta on April 13 at 5:45 will be held for the enjoyment of the students and also to promote the summer program in Puerto Rico. It will begin with a one-sitting meal of the "cuisine of Puerto Rico." The girls will be serenaded by a strolling guitarist from Puerto Rico during the meal.

Following the dinner there will be an evening of Spanish entertainment in our festively decorated gym. The entertainment will consist of several Puerto Rican guitarists and singers and many Harvard students from Puerto Rico, who will perform their native dances. All the girls are invited to join in and learn the dances. Judith Rosner and Salvatore Lugo, representative from the Puerto Rican government will speak, and a film about Puerto Rico will be shown.

The dinner is being sponsored by the Lord Newark Society under the supervision of Mr. James Hiltz, Mr. José Rios-Granau, Phyllis Feldman, Tony Frank and Gay Hail.

Dates are welcome. A good time will be had by all and it is a perfect way to begin our Spring vacation. De Veré.

## CIVIL SERVICE EXAM TO BE APRIL 21

John W. Macy, Jr., Chairman of the U. S. Civil Service Commission, recently stated that there will be more career opportunities in the Federal Government for college graduates this year because of the defense build-up and staffing needs in new or expanded domestic programs.

A primary source for filling these jobs will be the Federal Service Entrance Examination. In the past this examination has provided the Federal Government with an ample supply of candidates to fill the vacancies — 8,100 were appointed from the FSEE in 1965 alone. However, for 1966, because of the government's increased activity, there will be a shortage of qualified people from this examination to meet its needs.

The FSEE examination is open to college seniors and graduates, as well as to others with a combination of ex-

(Continued on page 3)

## Sophomore Selected As Glamour Winner

Recently Phyllis Feldman, Class of 1968, was elected as Lesley's representative to *Glamour* Magazine's contest "Ten Best-dressed College Girls" for 1966. Each college in the United States chooses one girl on campus and submits three photographs of her in different outfits to the official entry to *Glamour* for the national judging.

Phyllis Feldman '68, winner of the Lesley campus "Glamour Contest" '66.

## SENIORS PLAN FINAL TRIP

The Senior Class is in the process of planning a class trip, to be taken during May Reading Period. The place is the Newport Motor Inn, in Newport, Rhode Island. The schedule for the day includes a tour of Newport's Twelve-Mile Drive, swimming, shuffleboard, badminton, volleyball, and other activities. A clambake with all the trimmings will climax the day. This will be the last real play-day together for the Class of '66, and it is hoped that the whole class will turn out to participate in the festivities.

Soon the Seniors will be alumnae, and specific plans are in the process of being made in connection with this. The Seniors are asked to attend all class meetings to learn about her role as a future alumna.

The candidates selected as *Glamour*'s 1966 "Ten Best-dressed College Girls" will be photographed for the August College Issue and will visit New York in June as guests of *Glamour*. In the past Lesley has had a selected candidate and honorable mention winners.

Phyllis was elected over a group of twenty-six girls chosen from various dormitories and representing commuters on the Lesley campus. The primary election narrowed the ballot to ten semi-finalists. Those twenty-six girls participating were Susan Ball, Marilyn Berger, Jean Birmingham, Barbara Charnas, Dale Clayton, Gail Condon, Leslie Contos, Carolyn Costello, Phyllis Feldman, Denise Hurley, Ellen Kaplan, Judy Kasprzak, Leslie Kimball, Faye Kitchener, Paula Kunan, Sandra Lundell, Lissa Mayo, Louise McGreevey, Pam Morgan, Dottie Murphy, Jane Resseguie, Toby Salmanson, Marsha Taback, Annalee Tozier, Lynn Weaver, and Rissa Welt.

The ten semi-finalists participating in the run-off election were; Marilyn Berger, Jean Birmingham, Barbara Charnas, Carolyn Costello, Phyllis Feldman, Leslie Kimball, Lissa Mayo, Louise McGreevey, Pam Morgan, Toby Salmanson, and Lynn Weaver.

## Junior Receives Service Award

Miss Paula Starensier, Class of 1967, was among 6400 high school and college youth who have received commendation for community service during the 10th Annual Recognition Week of United Community Services' "Operation Kindness".

(Continued on page 2)

# The Lantern Speaks

## The Pattern of Change

With this issue the LANTERN reaches the end of another publishing cycle, and the present staff makes way for a fresh group of editors and staff members. Next week, at Honors Convocation, the responsibility of leadership is passed to individuals whose time, energy and efforts will be devoted to carrying on the traditions of high journalism standards for the year 1966-1967.

With great expectation for the future, we must not, however, fail to look upon with some self-pride at the achievements of the 1965-1966 publication year.

So often it is thought that the leadership of an organization is headed by one person and the delegation of power is automatic. But through the cohesive efforts of all the other editors on this year's staff, independent and skillful undertaking of responsibility has taken place. To these editors and their staff members, congratulatory honors are well due.

But a newspaper rarely looks back; its eyes are on the future. And we now salute a new staff, who will be responsible for the next issue and those to come. They are to be congratulated on their elections and wished well for a most rewarding year.

To our dedicated advisor and devoted professor and friend, Dr. Leslie M. Oliver, our expressions of gratitude are of great proportion. As a guiding light he has helped us all; and for this, we are a great deal richer.

So are we committed to that which must end and those who will follow.

## Where Are You?

Each student at Lesley is a very definite part of the college. We are small in number and personal in relationship. What is of concern to one person, concerns us all. Activities at Lesley require the active support and participation of us all. What ever the event, the election, the meeting or the class, the support of every Lesley student is needed to make it successful.

You chose Lesley before it chose You. Support it in every way! Be a little more responsible than the campaign for the offices of S.G.A.!!

## Forgetful Honesty

We have all heard and have no doubt partaken in discussions concerning honesty, the importance of remembering our responsibilities, and setting an example. Here at Lesley, these trends of thought often arise under the heading of the Honor System. Some of us have been under the impression that an Honor System is only to protect ourselves from others. Have you ever thought that we might need an Honor System to protect us from ourselves?

Forgetfulness is a common failing of all of us. Sometimes it is true that we do forget, but sometimes we forget because we want to. We can all think of instances where this is true, and when it has happened it has been we ourselves that have usually been hurt.

Yet, it is wise to think of other people also, for we are not alone in this world. One of the busiest spots in our college at all times of the day is the library. There we can study, do research, or read for enjoyment. Because of a possible forgetfulness on a student's part, to do these things is sometimes impossible. When we look for a book, a film, a unit, or perhaps a picture file that is listed in the file, we expect to find it on the shelf. Granted it may have been taken out overnight or for two weeks, but at the end of that time we look for it again. We are all sorely disappointed if it cannot be located.

Hundreds of dollars are spent each year to furnish our college library with new books and other curriculum aids. Yet the administration cannot keep up with the hundreds of dollars of materials and books that are taken from the library and not returned. Each year the number of books which disappears increases.

This loss may be a simple act of forgetfulness or it may be a convenient type of forgetfulness. Take a look in your room, under your bed or perhaps at home. See if you have something which the girls down the hall might be looking for and perhaps you can accept a chance here to start an Honor System to protect you from yourself.

## Graduate School Holds Symposium

On Saturday, March 19, 1966, the Lesley College Graduate School of Education and Extension Division held its second annual graduate symposium. The subject of this year's symposium was the "Behavioral Sciences in the Elementary Grades". Speakers at the program were Dr. Sheldon Roen, director of research at the South Shore Mental Health Center, Mr. Alan Burnes, research fellow at the South Shore Mental Health Center, and Dr. Robert Belenky, research associate at the Graduate School of Education, Harvard University. For the past five years Dr. Belenky has been serving as a school psychologist in the Newton area. Dr. Belenky filled in for Dr. Jerome Bruner who was called to the White House in Washington by President Johnson to a conference advisory committee to the President.

The program began with Dr. Roen who spoke on the study of behavior as a major content area in the curriculum. Mr. Burnes continued to speak on models for inquiry in the behavioral sciences. Dr. Belenky served as discussant.

The event was attended by over 200 people from all over the state. Those present included superintendents, principals, teachers, and students.

Dr. Boris Gertz, director of Graduate Programs at Lesley and coordinator of the program would like to remind the Lesley community that copies of last year's symposium, "Linguistics and Reading: Why and How?" are available. They can be purchased for \$1.00 at his office.

## Points to Ponder

This time like all times is a very good one if we but know what to do with it.

Emerson

## Reflections

by  
Fran Dreier

Apathy is a disease. It is highly contagious. It is known to have a very short incubation period, invading quickly and spreading throughout the body. Once contracted, it is not easily gotten rid of. Its symptoms are easily recognized, and manifest in a variety of ways. The one with the disease has a very low fever (or fervor, ability to get excited over or interested in very many things). There is a general pallor and lack of energy. These symptoms are quickly transmitted, especially by mouth (word of) and direct contact is not absolutely necessary. If I may be so bold as to make the assertion, by these standards the Lesley student body is very sick.

(Continued from page 1)

"Operation Kindness", cooperatively sponsored by United Community Services and the Massachusetts Division of Civic Education, is a program of youth service to meet the needs of one hundred and twenty-four Greater Boston health and social welfare agencies. Paula was a volunteer at Children's Hospital Medical Center.

Robert B. McCreech, United Community Service School and Volunteer Bureau Director, has called the youth volunteer program "Greater Boston's domestic peace corps which displays a true image of American youth".

"It is heartening to find that young people are no longer a silent generation," McCreech holds. "By their volunteer service they show awareness of human needs. The schools and agencies working through 'Operation Kindness' have not only helped alienated youth return to the main stream of American life but have also enabled the more advantaged youth to accept a share of responsibility for improving the lot of all Americans."

Students who are interested in volunteering for "Operation Kindness" are encouraged to phone Richmond 2-2000, Extension 240.

## S.G.C. Comments

On April 12, the Student Government Council will hold its first student-run Honors Assembly. It will be held during the activity in the Amphitheater. Chairs will be set up and the students are asked to dress appropriately. At this assembly students will be recognized for various achievements, and scholarships will be awarded. The results of the Student Government elections for President, Vice-President, Secretary, Treasurer, Judicial Board Chairman, and Frshmen Leader will be announced. The editors of the *Lantern*, the *Pendulum*, and the *Lesleyan*, will also be announced. The Lord Newark Society and Theta Alpha Theta will have a part in the program. The girls elected to *Who's Who in American Colleges and Universities*, will be acknowledged. The *Pendulum* will be distributed at the close of the assembly. The honor of your presence is requested.

## LYDIA HOLZMAN

Mid-semester exams have come and gone. The pace reverts to normal. For Seniors job opportunities are being explored and the thought of venturing into new areas brings excitement. With the Junior Class has come a change of roles; from student to teacher and vice versa.

As the year draws to a close we find ourselves busied by many details. Yet in spite of that which has us occupied, we are all very much aware of something that has stilled the air. Someone is missing and we cannot help but be saddened by the loss. Junior Class meetings are minus an alert member, anxious to help with projects or to offer suggestions. One dormitory smoker seems to be quieter than usual. Several classes appear to be without a vigorous outspoken voice. For many, a friend is gone.

The passing of Lydia Holzman offers us a lesson of life which is taught in very harsh reality. For as she lived life, and made what was to be the best of her twenty short years, she offered to us, the essence of life itself.

First row left to right: Ilene Meyer, Adrienne Stavis, Rozalyn Heifetz. Second row left to right: Judith Kasprzak, Joanne D'Amato, Lynn Woglom, Louise Sheiman and Marjorie Levine.

## EMERALD KEY INDUCTS TWELVE NEW MEMBERS

The Emerald Key Honor Society, whose members greet all visitors to Lesley and take them on a tour of our campus, as well as visit various high schools as Lesley's representatives, has elected eight new members to the society.

The pre-requisites for all members are good academic standing, participation in college activities, personal graciousness and an active interest in the college. The new members will be formally inducted into the society at Honors Convocation on April 12.

## LORD NEWARK SOCIETY SPANS VARIED AREAS

The idea for the Lesley Lord Newark Society was conceived in September, 1962. The organization was established in September, 1963.

The purpose of the Lord Newark Society — to continue and further public relations for Lesley College; to assist in projects involving the press, radio, and T.V.; to publicize activities on campus and to represent Lesley College off-campus at functions requiring public relations assistance, such as cultural festivals. The Lesley Lord Newark Society has also developed, prepared and distributed educational and promotional materials and publications that have been of value in maintaining and expanding the image of Lesley College.

Club Meeting

Program: Mrs. Nona Porter, Director  
of the Partnership Teaching Pro-  
gram and the Women's Education  
and Industrial Union in Boston,  
will speak on partnership teach-  
ing.

Here's an opportunity to find out  
about partnership teaching.

Qualifications for membership are based upon each girl's dependability, personal graciousness, and achievements such as her overall scholastic record; her public relations orientation in areas such as high school and college yearbooks and newspapers. In addition, her interest in — and awareness of — her surroundings is of great importance.

The years since 1963 have seen the Lord Newark Society grow from a small group to an organization whose membership exceeds thirty-five girls. The activities and projects which have been successfully carried out by the Newark group during this period are numerous and impressive. Many of these accomplishments could not have been achieved without the dedication and skills exhibited by society members. Some of these activities include: Glamour Contests; publicizing President's Seminars; assisting at convocations; conducting and supporting a lecture series; assisting in operations dealing with the press and other news media; newswriting projects such as hometown news releases; promoting, publicizing and otherwise assisting alumnae functions such as Reunion Weekend and teas; promoting the Puerto Rican Summer Program; planning and conducting off-campus tours; assisting with the "Lesley Review"; compiling and preparing for off-campus distribution publications which have furthered the public relations efforts of Lesley College. Lord Newark members have initiated the development of a special color slides series, depicting Lesley College activities. They have taken responsibility for the preparation and distribution of the campus Master Calendar. They have served as representatives of Lesley College at a cultural festival for the city of Boston.

These activities represent effort, time, skill and patience of Lord Newark Society members. Each of these girls has contributed immeasurably to the further development of Lesley College by her dedication to these tasks. Lord Newark Society members — and their successors — will continue to add to the growth of the college; and as the campus continues to expand, girls of the Lesley Lord Newark Society will remain standing by — ready to lend their assistance to help Lesley College realize its goals.
